1. Contributor owns, and has sufficient rights to contribute, all source code and related material intended to be compiled or integrated with the source code for the open source Restlet Framework (the "Contribution") which Contributor has ever delivered, and Restlet SAS has accepted, for incorporation into the technology made available under the open source Restlet Framework project available at <http://www.restlet.org>

2. Contributor hereby assigns to Restlet SAS joint ownership in all worldwide common law and statutory rights associated with the copyrights, copyright application, copyright registration and moral rights in the Contribution to the extent allowable under applicable local laws and copyright conventions. Contributor agrees that this assignment may be submitted by Restlet SAS to register a copyright in the Contribution. Contributor retains the right to use the Contribution for Contributor's own purposes. This Joint Copyright Assignment supersedes and replaces all prior copyright assignments made by Contributor to Restlet SAS under the Restlet project.

3 Contributor is legally entitled to grant the above assignment and agrees not to provide any Contribution that violates any law or breaches any contract.
